SENATE FACTORS (1982)

3. The extent of the jurisdiction's use of majority vote requirements, unusually large electoral districts, prohibitions on bullet voting, and other devices that tend to enhance the opportunity for voting discrimination;
4. Whether minority candidates are denied access to the jurisdiction's candidate slating processes, if any;
5. The extent to which the jurisdiction's minorities are discriminated against in socioeconomic areas, such as education, employment, and health;
6. Whether overt or subtle racial appeals in campaigns exist;
7. The extent to which minority candidates have won elections;
8. The degree that elected officials are unresponsive to the concerns of the minority group; and
9. Whether the policy justification for the challenged law is tenuous.
